Training will cover the following topics:

- ✓ What are Evidence Based Practices (EBP's) and why are they effective?
- ✓ Why should we use EBP's when providing instruction to individuals with autism?
- ✓ How to implement EBP's?
- ✓ How to obtain and understand the resources that promote the use of EBP's?

Participants will also receive instruction on how to implement EBP strategies to support ASD students across environments in the areas of:

- ✓ Behavior and Reinforcement
- ✓ Communication and Social Skills
- ✓ Navigating Puberty and Sexual Education

Please select one of the following break-out sessions:

Session #1	Session #2	Session #3
Regional Center In-Home Behavioral Supports	Teacher application of EBPs in Elementary School	Teacher application of EBPs in Middle School & High School

Participants will have the opportunity to view and access materials and educational tools that instructors have developed to support EBPs in the classroom.

(Please note: Registration done after May 5th or walk-ins on the day of the training will not include lunch)
