REACH

A support group for parents, foster parents, caregivers and anyone caring for a child with special needs.

What is REACH?

REACH is a safe place to find support, community and bond over our common experiences in raising a child with special needs.

It is a gathering of parents & caregivers who are there to support each other either by sharing their journey or just offering a warm smile.

Our greatest desire is for you to find comfort, support, and encouragement in this community. Come join us!

February through April, we are hosting a special Guest Speaker series focusing on our stories as parents of children with special needs.

One of the most important things to understand on this journey is that you are not alone. Through the sharing of each parents experience I hope you'll find solidarity and support.
